**The Lanesville Emergency Action Program
LEAP is a group of Lanesville neighbors.**

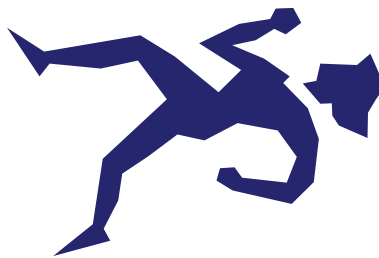

LEAP's motto is "Neighbors Helping Neighbors." We are simply members of the community who are willing to help each other in times of local emergencies such as blizzards, floods, fires, and power losses as well as provide educational programs to help prepare each other for those emergencies. We do not replace 911, but complement city services when resources may be stretched thin.

Funds from previous Whistleblowers races have gone to purchase materials and communication equipment for our shelter, the Lanesville Community Center, which provides electricity and warmth during power outages. We also have acquired a heavy duty basement pump that can remove 9000 gallons per hour! The pump has been a busy tool in 2010 with the tremendous flooding we experienced in February and March.

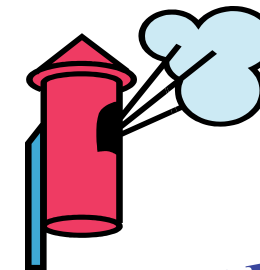

We are always looking for donations of emergency supplies such as cots, winter clothing, tools, rain gear, freeze dried meals, etc.

Have questions? Want to donate or volunteer?
